Feb 6 - We opened by finding the six trig values of a 30, 45, and 60 degree angles. We then discussed and practiced some applications. You had time to work on the assignments in class; complete and check pp. 1-9. Answers to pp. 8-9 are at the end of the notes; if you look at the very top of the answer sheet, it tells you how to work with the angle in problems 4 and 14.
