They are the hardest numbers to move: persistent racial and socio-economic gaps in student opportunity and achievement. While Massachusetts can boast of more adults with college degrees than any other state, it also has substantial rates of income inequality and some of the fastest-growing college costs in the U.S., according to a recent report the New England Board of Higher Education.

The ACT (/ eɪ s iː t iː /; originally an abbreviation of American College Testing) is a standardized test used for college admissions in the United States. It was first introduced in November 1959 by University of Iowa professor Everett Franklin Lindquist as a competitor to the Scholastic Aptitude Test (SAT). It is currently administered by ACT, a nonprofit organization of the same name.
