### **Dear Killer Katherine Ewell**

Katherine Ewell's Dear Killer is a sinister psychological thriller. I don't know who wrote that blurb but they obviously didn't read the same novel as me. Dear Killer is laughable at best. There isn't anything sinister about it. It lacks common sense and has such a childish feel to it.

In many cases, that is justified by the protagonist targeting only other serial killers. The main character of your novel, Dear Killer, does no such thing. Seventeen-year-old Kit is a serial killer. She is in fact the most famous London serial killer since Jack the Ripper. It's also something of a family tradition. Her mother was once a serial killer.

Katherine Ewell's Dear Killer is a sinister psychological thriller that explores the thin line between good and evil, and the messiness of that inevitable moment when life contradicts everything you believe. Many implied spoilers for Dear Killer are within. Not lightly implied either. Read even half-attentively and you will see spoilers.
