Transgender people have a gender identity or gender expression that differs from their assigned sex. Some transgender people identify as transsexual if they desire medical assistance to transition from one sex to another. Transgender - often shortened as trans - is also an umbrella term: in addition to including people whose gender identity is the opposite of their assigned sex (trans men ...

Transgender - Wikipedia

ABUSER (Stigma Alert) A person who exhibits impaired control over engaging in substance use (or other reward-seeking behavior, such as gambling) despite suffering severe harms caused by such activity. In experimental research, the word "abuser" was found to increase stigma, which can affect quality of care and act as a barrier to treatment-seeking in individuals suffering from addiction.
