This book is called "Volume 1," but it seems that Nowhere Men is on permanent hiatus, and I have not heard that any issues past the ones in this book will ever be published. While this volume definitely builds a world and cast of characters that could go on to many more adventures, I think it works great as a stand-alone story.

Parallel Visions: City of Angels City of Demons ebook and trade paperback available on Amazon (or here). The question of whether Vance was dead or not became more than academic when he found himself in a bathtub up to his chin in ice water like some forgotten cocktail garnish, a demonic woman standing over him, and no memory of how he got there.
