Our World Then And Now - video dailymotion

Some people argue that things just aren't the way they used to be, and these then and now illustrations prove just that. We've all heard older relatives or parents say that they used to only have one TV and no remote, or that they were paddled in school and no one fussed about it. Ring any bells? There's always that great divide of how good -- or bad -- things were back then.

Then And Now Illustrations Show How The World Has Changed
