A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

Ellen Klages's novel *Out of Left Field* (Viking) is the winner of the \$10,000 Children's History Book Prize, presented by the New York Historical Society. The award "honors the best children's historical literature in the United States and encourages authors to continue to create engaging and challenging narratives that provide a window into the past for middle readers and their families."
