He married mom right away and vowed to build his home out there in the middle of nowhere. After that his particular division took off my father was promoted and had his home in the country built. And it was like the Beverly Hillbillies all over again; my father had what amounted to a mansion built. I grew up like Jethro Clampett.

The "rocker plate" in effect. In addition to the standard planet set, Matt Jefferies designed a "rocker plate" set within the set that gave the illusion of a "real" quake. Evidence of this new "rocker stage" can be seen by the movement of the individual "plates" on the stage, followed by sequence of the landing party stepping off it onto the main stage and resting on their hands and knees.
